

# OPEN HOUSE

TUESDAY, MAY 14, 2024

## GOALS:

- ✔ Introduce the community to the project and provide information on work underway
- ✔ Inform the community on potential growth scenario forecasts
- ✔ Obtain feedback on ferry service expansion and parking structure and landside access alternatives

## NEXT STEPS:

1. Incorporate community feedback into the ferry service and parking expansion study project
2. Begin environmental review and preliminary design

# WE WANT TO HEAR FROM YOU!

It would be helpful if you can submit your comments on this Open House by **June 15, 2024**, using one of the following options:
