**ADDENDUM NO. 2**

**CONTRACT NO. 2012-BT-2**  
**SALE OF SURPLUS BUSES AND MISCELLANEOUS SPARE PARTS**

To All Prospective Bidders:

The Golden Gate Bridge, Highway and Transportation District (District) herewith issues Addendum No. 2 to the above-referenced Contract. Addendum No. 2 is hereby incorporated and made part of the Bid Documents. Except as specifically modified by this document, all other terms and conditions remain in full force and effect.

**PART ONE**  
**MODIFICATIONS TO LANGUAGE CONTAINED IN BID DOCUMENTS**

The following changes have been made to Contract No. 2012-BT-2, *Sale of Surplus Buses and Miscellaneous Spare Parts*, as described below and shown in ***bold face and italic type*** on the pages included with this Addendum:

1. **NOTICE INVITING SEALED BIDS**

Revised as set forth on attached Notice Inviting Sealed Bids (Revised).

2. **INSTRUCTIONS TO BIDDERS AND GENERAL TERMS AND CONDITIONS OF SALE, PAGE 1, SECTION 2, INSPECTION**

Revised as set forth on attached page 1 (Revised).

3. **INSTRUCTIONS TO BIDDERS AND GENERAL TERMS AND CONDITIONS OF SALE, PAGE 2, SECTION 3, BID SUBMITTAL DEADLINE**

Revised as set forth on attached page 2 (Revised).

**PART TWO**  
**RESPONSES TO QUESTIONS FROM POTENTIAL BIDDER**

The following questions and answers are in response to written inquiries submitted by a potential Bidder to the District for Contract No. 2012-BT-2, *Sale of Surplus Buses and Miscellaneous Spare Parts*:

Q1	Is there any way to inspect the 1994 Flxible buses?
A1	Additional inspections have been scheduled on Wednesday, August 10, 2011. Please see revised Instructions to Bidders and General Terms and Conditions of Sale, page 1, of this Addendum No. 2. For Bidders that have already submitted their bids and wish to re-submit their bids as a result of their inspection on Wednesday, they should request the Office of Secretary of the District by e-mail at <a href="mailto:districtsecretary@goldengate.org">districtsecretary@goldengate.org</a> to disregard their previously submitted bids and submit their revised bids by the extended bid submittal deadline of Tuesday, August 16, 2011, by 2:00 p.m., Pacific Standard Time. For the purposes of determining the successful bidder(s), revised bids will take precedence over previously submitted bids.
Q2	Can I assume that, unless otherwise indicated on Addendum No. 1, all 1994 Flxible coaches are in running condition and can be moved off the lot under their own power?
A2	Yes.
Q3	If my goal was to buy a single 1994 Flxible coach, can I place <u>one bid</u> for a list of vehicles so that if my first choice was not available, my bid would move to the second choice? If not, why, and what happens to vehicles that do not sell?
A3	Bidders must provide firm bids for each item they are submitting bids for. Therefore, you may not bid on several items if your intent is to only buy one item. In the past, the District has been successful in selling all of the equipment offered. In the case that it is not successful in selling all of the equipment, the disposition method would be determined by the number of unsold units and their condition.
Q4	Can you provide the selling price of each vehicle and whether or not a private individual or company purchased it at your last auction?
A4	Please see attached Past Bid Results.
Q5	Does this auction exhaust all 1994 Flxible coaches owned by the District or are there more that may be auctioned in the future?
A5	Yes, this Formal Bid represents the final remaining inventory of Flxible coaches.

Should you have any questions regarding the above clarifications, please contact Janet S. Tarantino, Secretary of the District, by telephone at (415) 923-2223.

**Bidders shall acknowledge the inclusion of Addendum No. 2 by inserting the Addendum number in the space provided on the Acknowledgment of Addenda of the Bid Documents. Failure to do so may cause the District to deem the bid as being unresponsive.**
