**Special Note: Transit Sales International requested, by way of several notations on its Bid Form, that the District only award it contracts for Surplus Buses in an "All or None" manner. As Transit Sales International was not the highest bidder for all of the Buses, the District is unable to award contracts to Transit Sales International for all of the Buses. Therefore, pursuant to Transit Sales International's directions on its Bid Form, the District disregarded the bids of Transit Sales International in the Surplus Buses category.**
