When used in this Master Ordinance, the following terms shall have the meaning set forth after each:

1. ADULT. A person who is not in a classification which is eligible for transit discount fares or free transportation.

B. DISCOUNT AND CONVENIENCE TICKET PROGRAMS

1. BRIDGE TOLL DISCOUNT FOR PERSONS WITH DISABILITIES. The Toll Discount for Persons with Disabilities is a discretionary District program that provides persons with disabilities who cannot utilize District transit services with a reduced bridge toll (Discount Toll).

   a. Authorization of Discount. A Discount Toll, as specified in Section II.B, is authorized to eligible persons with disabilities. The Discount Toll is applicable to persons with disabilities operating or a passenger in a two-axle vehicle with a valid District-issued identification card twenty-four (24) hours a day, seven (7) days a week. The Discount Toll is not applicable to vehicles with three (3) or more axles.

   b. Eligibility Requirements. For purposes of this section, persons with a disability eligible for a Discount Toll shall be any person who resides within the District’s transit service area, as defined in Section III.B. and, by reason of a permanent physical or mental impairment, is unable independently to utilize District operated transit buses and ferries, or is able to use such buses and ferries only:

      i. With a significant risk of injury to himself or to other passengers; or,

      ii. With a significant personal discomfort caused by such impairment.

      iii. In order to confirm eligibility for the Discount Toll, an individual who meets the above criteria must submit a written application available from the District. Completed applications shall include a written statement signed by a physician certifying that the individual has a permanent physical impairment which in the physician’s opinion prevents the person from utilizing District-operated transit buses and ferries, or which permits such use only with a significant risk of injury or personal discomfort as set out above. The District reserves the right to require a physical examination at District expense and an independent opinion by a physician chosen by the District, certifying to the permanency of the impairment.

   c. Identification Cards. Persons who have been found by the District to be eligible for the Discount Toll and who intend to utilize Discount Tolls based upon disability will be issued an identification card from the
District’s Administrative Office. In order to receive the Discount Toll, it is necessary to open and use a special discounted FasTrak® account for toll payment. The special FasTrak® tag will be associated with the individual qualifying for the discount, it will not be associated with vehicle license plate numbers, and it will be marked to facilitate differentiation from standard FasTrak® tags.

2. TRANSIT DISCOUNT TICKETS, CARDS AND PASSES. The sale of transit tickets, cards and passes and their use shall be subject to conditions printed on these pre-paid fare media. Transit discount fare media are subject to the following conditions:

a. Tickets, cards and passes may be used in lieu of the established cash fare on bus in effect at the date of use; however, higher-value zone tickets, cards and passes used in lower transit zones will not entitle user to a refund.

b. Transit tickets, cards and passes shall be valid for a minimum period of three (3) months and a maximum of six (6) months, up to and including the expiration date shown thereon.

F. **PROVISIONS PERTAINING TO USE OF DISTRICT PROPERTIES FOR EXPRESSIVE ACTIVITIES.**

1. **DEFINITIONS.**

   a. Expressive Activity. For purposes of this Master Ordinance, “Expressive Activity” means verbal, visual, literary, or auditory speech, communication, or conduct that is intended to convey a political, religious, philosophical, or ideological opinion, view, or message that likely would be understood by those who see or hear the speech, communication, or conduct to be such an opinion, view, or message. Expressive Activity includes, for example, demonstrating, protesting, marching, assembling, rallying, distributing written materials, leafleting, and holding or displaying signs.

   b. District Property. For purposes of this Master Ordinance, “District Property” means property owned, controlled, or leased by the District.

2. **RULES AND REGULATIONS.** The District authorizes the General Manager or designee, to develop and implement rules and regulations as necessary to effectuate the goals of this ordinance.

3. **LOCATIONS WHERE EXPRESSIVE ACTIVITY IS PROHIBITED AND PERMITTED.**
a. Expressive Activity Prohibited in Specified Areas. No person shall conduct or participate in Expressive Activity in or on any of the following areas of District Property: (i) on any bus or ferry; (ii) inside the paid passenger waiting areas of the Larkspur and Stephan C. Leonoudakis San Francisco Ferry Terminals; (iii) on the Golden Gate Bridge, including the approaches, Toll Plaza, and roadways, except as shown on Exhibit A(1); (iv) on roadways or rights of way at other facilities owned or, controlled by the District; (v) on the sidewalks immediately adjacent to the Toll Plaza; (vi) on the bike paths, disability access ramps leading to the Bridge from the West, exhibit areas and building entrances as detailed in Section I.F.10(a) and on Exhibit A(2); or, (vii) in or on workshops, offices, maintenance facilities, storage areas, garages, or parking lots, except as provided in Section I.F.3(b).

b. Expressive Activity Permitted in Certain Areas. Expressive Activity may be conducted in or on any of the following public areas of District Property only after the participants first obtain a permit issued by the District, except as provided in Section I.F.4: (i) designated public areas of bus or ferry facilities (Exhibits A(3)-(7)); (ii) the sidewalks on the Bridge as depicted in Exhibit A(1) (“Bridge Sidewalks”); (iii) designated public areas on property located near the Bridge, including the new Plaza Area (Exhibit A(2)); and, (iv) certain designated areas in specific parking lots on weekends and holidays.

c. Maps of Designated Areas. The areas where Expressive Activity is permitted and prohibited on District Property are designated on the maps attached to this Master Ordinance as Exhibit A(1)-(7). Expressive Activities are only allowed in the areas colored green on the maps, while Expressive Activities are prohibited in the uncolored areas.

4. EXCEPTIONS TO PERMIT REQUIREMENT.

a. An exception to the permit requirement is allowed for Expressive Activity that is on: (i) Bridge Sidewalks or on other designated public areas near the Bridge that are depicted on Exhibit A(1), which involves less than fifty (50) participants; (ii) the Plaza Area, the Flagpole Area, and areas south and west of the Administration Building, and other areas where Expressive Activities are permitted (Exhibit A(2)), which involves less than 50 participants; (iii) designated property of the Larkspur or Stephan C. Leonoudakis San Francisco Ferry Terminals that is depicted on Exhibit A(3)-(4), which involves less than fifty (50) participants; or (iv) C. Paul Bettini San Rafael Transit Center property, as designated on Exhibit A(7), which involves less than three (3) people. All participants engaging in Expressive Activity must comply with all the regulations set forth in General Regulation Section I.F.8, and either the: (1) Special Provisions for Expressive Activity Permitted on the Bridge Sidewalks, the Flagpole Area, and Designated Areas to the South and West of the Administration
Building, Section I.F.9; (2) Special Provisions for Expressive Activity Permitted at the Bridge Plaza Area, Section I.F.10; or (3) Special Provisions for Expressive Activities Permitted at Transit Facilities, Section I.F.11, depending on where the activity occurs. This exception from the permit requirement does not apply to Expressive Activity on District property when the property is closed to the public because no Expressive Activity is allowed on any District property when such property is closed to the public.

b. Expressive Activity in all other public areas on District Property requires a permit issued by the District.

c. Only one Expressive Activity is allowed at the same physical space at the same time. Expressive Activity for which a permit has been issued by the District will take precedence over Expressive Activity for which a permit has not been issued. The General Manager, or designee, is authorized specifically to develop and implement rules and regulations for handling situations when more than one group desires to engage in Expressive Activity at the same location at the same time and when a permit is not required.

a. Requests for Expressive Activity permits for 50 to 150 participants must be submitted at least 48 hours prior to the date and time the proposed Expressive Activity will take place, except at the C. Business days for the purposes of this section means Monday through Friday, excluding all holidays recognized by the State of California.

d. Requests for Expressive Activity permits must provide the following information: (i) the name, address and telephone number of the person or organization proposing to conduct the Expressive Activity; (ii) the purpose or subject of the proposed activity; (iii) the date, time and location of the proposed activity; (iv) the approximate number of persons who will participate in the proposed activity; (v) the duration of the proposed activity; (vi) if the Expressive Activity will involve signs or props (as defined in Section I.F.9), the number, size, and nature of the signs or props; and, (vii) other information to enable the District to coordinate with the applicant and manage the Expressive Activity to ensure the free flow of vehicular, bicycle, and pedestrian traffic, and the safety and security of all who use District Property. All information submitted must be true and correct.

e. The Expressive Activity permit applicant is required to obtain any regulatory reviews, approvals or permits that may be required, including but not limited to permit or approval from the San Francisco Bay Conservation and Development Commission (BCDC). Events that are located within 100 feet of the shoreline of the Bay are located within BCDC jurisdiction and will require at least a forty-five (45) day advance notice for processing for the required permit. The General Manager, or designee, will assist event sponsors in identifying if a BCDC permit is required and will advise on the process for obtaining a permit. However, if BCDC requires that an Expressive Activity meet specified conditions, it is the sole responsibility of the Expressive Activity permit applicant to comply with those conditions.
If the Expressive Activity permit applicant also intends to capture or record any images (still photography or video footage) for any form of commercial use, a separate filming or photography permit is required pursuant to Section I.G. of this Master Ordinance.

6. REVIEW OF PERMIT APPLICATIONS.

a. For a permit that has been submitted for 50 to 150 participants, or in the case of the C. Paul Bettini San Rafael Transit Center, three or more participants, the General Manager, or designee, shall respond to the permit request not later than twenty-four (24) hours before the proposed Expressive Activity is to commence, subject to the provisions of this section. For a permit that has been submitted for 151 or more participants, the General Manager, or designee, shall respond to the permit request not later than forty-eight (48) hours before the proposed Expressive Activity is to commence, subject to the provisions in this section. Permits shall be granted only if the request complies with the requirements of Section I.F.5 above, and provided that there is not a previously scheduled event for the use of the District Property on the same date and time, and further provided that there is not an overriding unique safety or security concern that warrants the denial and cancellation of all permits during that time period, such as a heightened security level.

b. The District requires at least sixty (60) minutes between the scheduled completion of one permitted event and the scheduled commencement of the second permitted event on any one day.

c. A permit will be granted for one (1) date only, except at the Bridge Plaza Area. A person or organization requesting an Expressive Activity permit may not hold multiple permits for future Expressive Activities. The District will grant only one Expressive Activity permit at a time to a particular person or organization, and that person or organization may not request another Expressive Activity permit until after the completion of the Expressive Activity for which a permit has been granted.

d. The General Manager, or designee, may impose conditions upon the permit necessary to avoid injury to persons or property or to assure the safe and orderly use of District Property. Such conditions may include but are not limited to: (i) limitations on the number of persons who may participate in the proposed activity; (ii) specifications of the time and duration of such activity; and, (iii) the manner in which the activity is conducted.

e. The person signing the permit must be present at all times during the Expressive Activity and, before the commencement of the Expressive Activity, must inform the District’s Security Office of his or her arrival on the District Property before the commencement of the Expressive Activity.

   d. Permits for Expressive Activity at the Larkspur Ferry Terminal and Stephan C. Leonoudakis San Francisco Ferry Terminal will be issued for Expressive Activities that are scheduled to occur when the terminals are open for operation, subject to the following limitations: (i) permits will be issued for use of the areas of the Larkspur Ferry Terminal parking lot designated on Exhibit A(4) only on weekends and when the parking lots are not being used for events that it is the District’s Ferry Division’s business to serve; and (ii) for the Stephan C.    f. Expressive Activity that does not require a permit pursuant to Section I.F.4 is permissible when District Property is open to the public, or in the case of the Bridge Sidewalks and the Plaza Area, when the sidewalks are open to pedestrian use as provided in this Master Ordinance.
8. GENERAL PROVISIONS FOR EXPRESSIVE ACTIVITY ON ALL DISTRICT PROPERTY. Expressive Activity on all District Property, whether or not a permit is required, must comply with these General Provisions.

9. SPECIAL PROVISIONS FOR EXPRESSIVE ACTIVITY PERMITTED ON THE BRIDGE SIDEWALKS, THE FLAGPOLE AREA, AND DESIGNATED AREAS TO THE SOUTH AND WEST OF THE ADMINISTRATION BUILDING. Because of the unique characteristics of the Bridge as determined in the findings to Ordinance No. 2012-03, the time, place, and manner regulations established for Expressive Activity on the Bridge Sidewalks (Exhibit A(1)), the Flagpole Area (Exhibit A(2)), and the designated areas to the south and west of the Administration Building (Exhibit A(2)) require additional limitations, as set forth below. Expressive Activity may be conducted in these areas only after the participants first obtain a permit issued by the District, except as provided by Section I.F.4(a). All Expressive Activity on Bridge Sidewalks, the Flagpole Area, and designated areas to the south and west of the Administration Building, must comply with the General Regulations established in Section I.F.8, in addition to the following Special Regulations. These Special Regulations also apply to the extended sidewalk area just north of the Roundhouse adjacent to the bridge roadway.

a. All persons must walk on the Bridge Sidewalks and other sidewalk areas in a safe and orderly manner and remain on these sidewalks at all times. c. For purposes of this ordinance, the term “Sign” includes signs, flags, and banners, and the term “Prop” includes any device, display or item that is used to direct or attract attention to the object or to a person, or any other item that is intended to convey a political, religious, philosophical, or ideological message, such as boxes, drums, tambourines, musical
instruments, paper mache puppets, cardboard cutouts, and similar items. A Sign or Prop is considered to be one “Item.” No more than 50 Items are allowed on the Bridge Sidewalks, the Flagpole Area, and designated areas south and west of the Administration Building, for groups with less than 50 participants, and no more than one Item is allowed per participant, except that one participant may hold two items for short periods of time, not to exceed 15 minutes. An additional 20 Items, for a total of no more than 70 Items, are allowed in these areas for groups with 50 to 150 participants. An additional 10 Items per each additional 25 participants are allowed in these areas for groups with 151 or more.

Any pole, stick or other device attached to or used to mount an Item may not extend more than three (3) feet beyond the Item.

e. For Expressive Activity involving more than 100 participants, participants must walk side-by-side in two single file lines at all times on the Bridge Sidewalks.

f. Permitted Expressive Activity on the Bridge Sidewalks may not exceed two hours in duration. Expressive Activity that does not require a permit on Bridge Sidewalks may not exceed two hours in duration, unless, at the conclusion of the two hours, the person(s) engaging in such activity is/are generally mobile, changing physical locations and exercising care not to block the ability of others to use the sidewalk for these or other purposes.

10. SPECIAL PROVISIONS FOR EXPRESSIVE ACTIVITY PERMITTED AT BRIDGE PLAZA AREA. Because of the unique characteristics of the Plaza Area as determined in the findings to Ordinance No. 2012-03, the time, place and manner regulations established for Expressive Activity on the Plaza Area require additional limitations, as set forth below. Expressive Activity may be conducted in the Plaza Area only after the participants first obtain a permit issued by the District, except as provided by Section I.F.4(a). All Expressive Activity on the Plaza Area must comply with the General Regulations established in Section I.F.8, in addition to the following Special Regulations:

a. Expressive Activity is permitted on the areas designated on Exhibit A(2), which includes the central Plaza Area and areas near the flagpole, although the areas near the flagpole are governed by those Special Regulations pertaining to the Bridge Sidewalks in Section I.F.9, above.
Expressive Activity is not permitted: (i) on the bike ways and accessibility pathways leading to the Bridge; (ii) near the entrances of the Pavilion, Café and Roundhouse building or sidewalks near the parking area; (iii) in the exhibit area behind the Strauss Statue and viewing area with the cable exhibit behind the Pavilion; and, (iv) in the 10-foot wide area surrounding the perimeter of the Plaza Area.

b. No more than 250 persons are permitted to conduct Expressive Activities on the Designated Area for the central Plaza Area at any one time to ensure that this area does not become overcrowded given that those engaged in Expressive Activities may have signs or props. The central Plaza Area is described as follows: its southern-most boundary is set back 51 feet from the roadway curb bordering the East Parking lot. It is generally described as the area containing beige paving stones. The periphery of this area, generally containing gray paving stones, is 6 feet wide. This area and another 4 feet of the area periphery will be kept clear to allow users of District property to view the various exhibits and move about District property.

c. Permits may be issued for a maximum of seven (7) consecutive days. A permit may be extended for up to 7 days for expressive events in this area, but a new application must be submitted for each extension requested. The extension may be denied if another applicant has requested use of the same location and the location cannot reasonably accommodate multiple occupancy.

d. Items, as defined in Section I.F.9(c) and I.F.9(d) are prohibited except as follows: Items may not be larger than four (4) by six (6) feet and one-quarter (1/4) inch in thickness, provided that no individual may have more than one sign in the Plaza Area at any one time, and provided further that such Signs and Props must be attended at all times (the term “attended” is defined as an individual being within three (3) feet of his or her Sign or Prop), and provided further that such Items may not be elevated in a manner so as to exceed a height of ten (10) feet above the ground at its highest point, and may not be arranged or combined in a manner so as to exceed the size limitations set forth in this paragraph, and may not be arranged in such a fashion as to form an enclosure of two (2) or more sides. For example, under this provision, two four-feet by six-feet Items may not be combined so as to create a Sign or Prop eight feet by twelve feet, and two or more Signs or Props of any size may not be leaned or otherwise placed together so as to form an enclosure of two or more sides, etc.

e. When more than one unpermitted group seeks to use the same designated area at the same time, and the area cannot reasonably accommodate multiple occupancy, the General Manager will, whenever possible, direct
the later-arriving group to relocate to another nearby and available Designated Area.

f. Sound amplification is not allowed in the Plaza Area.

11. SPECIAL PROVISIONS FOR EXPRESSIVE ACTIVITY PERMITTED AT TRANSIT FACILITIES. 12. VIOLATIONS OF PERMIT FOR EXPRESSIVE ACTIVITY OR FAILURE TO COMPLY WITH THE REQUIREMENTS OF SECTION I.F. OF THE MASTER ORDINANCE. If a permittee violates the conditions of his, her or its permit, the District may revoke the permit. Multiple permit revocations shall subject the violating permittee to a possible bar from obtaining District permits for a specified time period, subject to a right of administrative appeal.
a. vii. The District will maintain separate waiting lists for the Larkspur Ferry Terminal, C. Paul Bettini San Rafael Transit Center, and Santa Rosa Bus Facility for publications that have fulfilled the application requirements but were not assigned a slot because of insufficient space. If a newsrack box becomes available, the District will make the unit available to distributors based on the priority categories established above in descending order. If there are multiple distributors on the waiting list in any one priority category, the District will make the newsrack box available on a first come, first served basis. The District will contact the distributor in the order it appears on the waiting list and each distributor will have ten (10) calendar days to accept or reject the available newsrack box in the fixed pedestal mounted modular newsrack. If the District receives no response from the distributor within ten (10) calendar days, the distributor forfeits its right to a newsrack box, will be removed from the waiting list, and the District will make the newsrack box available to the next distributor on the waiting list.

The District also will purchase and install the
newsrack boxes for the initial transition to the District purchased fixed pedestal mounted modular newsracks.

b. Only fixed pedestal mounted modular newsracks will be permitted on District property. The District will determine the location for the installation of all fixed pedestal mounted modular newsracks.

4. REGULATIONS.

a. Distributors that charge a fee for their publication are responsible for installing, maintaining, and repairing their own locking and coin collection mechanism for their newsrack box.

b. Each distributor is responsible for maintaining its particular newsrack box in good working order and for notifying the District if the distributor stops distributing the publication from the newsrack box.

   i. If a distributor fails to maintain a newsrack box in good working order and in a safe and clean manner (e.g. with no graffiti) or if a newsrack box is deemed an abandoned unit, the District will send a Notice to Cure to the contact person listed on the permit application.

   ii. The distributor will have five (5) business days to correct the violation in the Notice to Cure.

   iii. If after five (5) business days the distributor has not corrected the violation or if the distributor has not contacted the District to arrange for additional time to cure the violation because it was not possible to cure the violation within the five (5) business day time period, the District will revoke the permit for that newsrack box and the District may reassign the unit to another publication.

c. Distributors may not display advertisements of any kind on the fixed pedestal mounted modular newsracks or the individual newsrack boxes.

d. No publication may be kept or maintained in any newsrack box so as to expose to the public view any statements, words, pictures, illustrations, cartoons or drawings describing or showing any explicit sexual acts, sexual organs, illegal drugs or illegal drug paraphernalia.

e. Distributors must indemnify the District against all claims, damages, injuries, and liabilities arising from the Distributor’s use of District property to distribute a publication from a newsrack or newsrack box.

   c. In addition, any person who violates Section I.H. of this Master Ordinance or the rules and regulations implemented pursuant to this Section I.H. will be subject to the sanctions and penalties of all applicable statutes, including but not limited to California Streets and Highways Code Section 27174.1, 27174.2, and 27176.

2. REDUCED FASTRAK® TOLL FOR DESIGNATED VEHICLES DURING COMMUTE HOURS. A reduced FasTrak® toll rate for carpools is available between the hours of 5:00 to 9:00 a.m., and 4:00 to 6:00 p.m., Mondays through Fridays, excluding the following holidays: New Year’s Day (January 1); Presidents’ Day (third Monday in February); Memorial Day (last Monday in May); Independence Day (July 4); Labor Day (first Monday in September);
Thanksgiving Day (fourth Thursday in November); and Christmas Day (December 25). The reduced FasTrak® toll applies to two-axle vehicles with three or more passengers, motorcycles, and buses. Clean air vehicles that bear a DMV issued WHITE Clean Air Vehicle decal, which allows the vehicle to be operated by a single occupant in High Occupancy Vehicle (HOV) lanes are eligible for the reduced toll during commute hours, for as long as California Vehicle Code Sections 5205.5 and 21655.9 remain in effect. Vehicles bearing the YELLOW or GREEN Clean Air Vehicle decal are not eligible for the reduced toll. All vehicles that qualify for the reduced toll shall be registered with a FasTrak® account in good standing and the reduced toll shall be paid with a valid toll tag. Eligible vehicles are required to use a marked, dedicated “Carpool” lane.

3. TOLL RATES FOR PERSONS WITH DISABILITIES. The discount toll for a vehicle in which an eligible person with a disability is either the operator or a passenger, must be paid via a special, discount FasTrak® tag issued to the eligible person with a disability. The discount is not available for vehicles with more than two axles. The provisions of Section I.B.1, “Bridge Discount for Persons with Disabilities,” shall apply.

4. REDUCED TOLL FOR DESIGNATED VEHICLES PROVIDING SFO AIRPORT SERVICE. Three axle vehicles with FasTrak® that are operated by California Public Utilities Commission certificated providers of regularly scheduled bus transportation services from established points in Marin and Sonoma Counties to the San Francisco International Airport verified by the District may pay 50% of the above three axle FasTrak® toll rate rounded up to the nearest 25 cents.

All vehicles that qualify for the reduced toll shall be registered with a FasTrak® account in good standing.

C. CREDIT AND CREDIT ACCOUNTS

1. The General Manager, or designee, shall have authority to extend credit to and to open an account for any person operating one or more buses or freight-carrying vehicles over the Bridge. Applications for the opening of credit accounts shall be made in writing. The General Manager, or designee, shall have authority, in his or her sole discretion, to grant or refuse such applications, to limit or impose terms of credit so extended and on such credit accounts, and to terminate any such credit or credit accounts. Itemized statements shall be rendered to all persons using this credit privilege at the end of each month.

2. A service charge of ten dollars ($10.00) per month shall be made upon each credit account maintained with the District provided that this service charge shall not be made on accounts maintained by the United States Government, the State of
California, or any of the agencies of either, or any political subdivision of the State of California.

D. COLLECTION OF TOLLS AND CHARGES

1. STANDARD TOLL COLLECTION. It shall be the duty of the General Manager, through employees and the District’s contractors, to collect the revenue and deposits derived from the rates, tolls, traffic charges and special service charges established by the Board of Directors of the District, and to forthwith pay the same when collected, no later than forty-eight (48) hours thereafter (exclusive of Sundays and holidays) to the proper fund of the District, in the manner provided by the accounting system set up for receipt of revenues of the District.

2. ELECTRONIC TOLL COLLECTION. The District collects Bridge tolls through an Electronic Toll Collection System. The General Manager or designee is authorized to issue written procedures for implementing the Electronic Toll Collection System, consistent with this Master Ordinance, and Board direction as may be given from time to time. Bridge toll payment can be made automatically via FasTrak® Account, License Plate Account, One-Time Payment, or via invoice mailed to the registered owner of the vehicle.

a. FasTrak® Account

   i. Toll Tag Deposit. The customer shall execute an Application and License Agreement providing for the terms and conditions for use of the toll tag and to establish a customer credit card or cash account with the District. For cash accounts, the customer shall deposit twenty dollars ($20.00) for each toll tag. The deposit will be maintained for the duration of the active account, and will be refunded to the customer, without interest, upon return of the toll tag in good working condition to FasTrak®. The deposit will be forfeited if the toll tag is misused, damaged, lost, or stolen. No deposit shall be required for the first three (3) toll tags issued to a credit card account; however, the credit card account is subject to a charge of twenty dollars ($20.00) for each toll tag that is misused, damaged, lost or stolen. A deposit is required for additional toll tags issued to a credit card account.

   ii. Toll Payment.

      (a) Credit Card Accounts. The customer shall establish an initial prepaid balance of twenty-five dollars ($25.00) per toll tag and shall authorize the District to make automatic charges to the account to replenish it (“Replenishment Amount”) whenever the account falls to or below the Replenishment Threshold. The Replenishment Threshold is reached when the balance in a credit account equals two
week’s average usage over a ninety (90) day period, or fifteen dollars ($15.00) per account, whichever amount is greater. The Replenishment Amount shall be equal to the customer’s one-month average usage based on the previous ninety (90) days’ usage, or twenty-five dollars ($25.00) per account, whichever amount is greater. The Replenishment Threshold and Replenishment Amount will be adjusted thirty-five (35) days after initial use and quarterly thereafter.

(b) Cash Accounts. The customer shall prepay Bridge tolls in the initial amount of fifty dollars ($50.00) per toll tag. The customer shall replenish the account as necessary to maintain a positive account balance.

b. **License Plate Account.** Customers opting to become License Plate Account holders complete an application and agree to the terms and conditions set forth in an agreement. Customers have the option of establishing a pre-paid balance or placing a credit card on file. If the card on file is invalid or if the pre-paid balance is insufficient, an invoice is sent.

c. **One-Time Payment.** Customers who prefer not to become License Plate Account holders have the option of making a non-refundable One-Time Payment that is good for thirty (30) days and up to three (3) tolls. Customers should review the One-Time Payment terms and conditions at the time of payment. One-Time Payments can be made by cash or credit card.

d. **Invoice.** An invoice will be generated for tolls that are not paid via the FasTrak®, License Plate Account or One-Time Payment methods. The first invoice will be generated three (3) days after passing through the toll plaza; tolls will be aggregated on subsequent invoices and will be generated every thirty (30) days thereafter. Invoices will be sent to the registered owner of the vehicle on file with the Department of Motor Vehicles. Invoice Payments are due twenty-one (21) days from the invoice mailing date. Past due invoices will be processed as violations.

3. **ELECTRONIC TOLL COLLECTION PAYMENT LOCATIONS.** Toll payment can be made at the FasTrak® Regional Customer Service Center, by mail and via the internet. To accommodate cash customers, toll payments can also be made via a network of cash payment locations. A list of available walk-in centers will be kept up to date on the Bay Area FasTrak® website, http://www.bayareaFasTrak.org. Convenience fees that may be charged by businesses enrolled in the cash payment network system are the responsibility of the customer. However, the District will absorb the cost of convenience fees for
One-Time Payment, Invoice Payments, and License Plate Account replenishment until further notice.

4. TOLL EVASION PENALTIES AND VIOLATION ENFORCEMENT. It is a violation of the toll evasion statutes under Vehicle Code Section 4770 et seq., 23302 et seq., Section 40250 et seq., and Streets and Highways Code Section 30843 to fail to pay the established Bridge toll. An invoice will be mailed for any transaction that cannot be paid automatically via FasTrak®, License Plate Account or One-Time Payment. It is a violation of the toll evasion statutes to fail to pay an invoice by the invoice payment due date. Pursuant to authority granted in Streets and Highways Code Section 27174.1, the District shall enforce this ordinance relating to toll evasion by issuance of notices of toll evasion violation, delinquent toll evasion and the imposition of civil penalties. Violators are subject to penalty as set forth below.

For All Violations:

First Notice: Toll plus twenty-five dollars ($25.00) penalty

Second Notice: Toll plus seventy dollars ($70.00) penalty

Exceptions: (1) If the violation is the fault of the agency; (2) For the first time offense, a non-customer can open a FasTrak® account and the twenty-five dollar ($25.00) penalty will be waived; and, (3) For FasTrak® account holders with a positive account balance and License Plate Account holders whose account is in good standing, the toll only will be posted to their account.

Also, in compliance with state law, if the registered owner makes payment within fifteen (15) days of the mailing of the second notice, the applicable penalty is reduced to the lower penalty of twenty-five dollars ($25.00).

A processing fee will be applied to violations sent to the Department of Motor Vehicles (DMV) for a registration hold in the amount of the DMV recording fee stated in 13 Cal. Code Reg. 431.00, as may be amended from time to time.

5. RETURNED CHECK FEE. Any returned check is subject to a fee of twenty-five dollars ($25.00).

[Ordinance No. 2018-002]

No charge shall be made for tire changes by District personnel.

7. Buses operated by the Municipal Railway of the City and County of San Francisco, on Saturdays and Sundays, when providing scheduled service to Forts Cronkite and Baker within the Golden Gate National Recreation Area.

8. Vehicles of the Golden Gate National Recreation Area (GGNRA), with government license plates, while crossing Bridge on official business, with the understanding that commute trips are excluded from the toll-free privilege, and that any GGNRA employee who misuses this privilege will have this privilege revoked, and with the further understanding that staff will maintain a computer
record of the time and date of each toll-free crossing authorized by this provision, and staff will monitor such use and report periodically to the Board.

9. Emergency vehicles such as police, fire, and ambulances when responding to incidents on the Bridge and approaches, or police vehicles when involved in pursuits that require crossing the Bridge.

a. On the east sidewalk: (1) Monday through Friday, excluding holidays, from the commencement of Daylight Hours to 3:30 p.m.; and, (2) every day of the week during non-Daylight Hours on the condition that bicyclists comply with procedures implemented by the District that shall include notification to and authorization from the District’s Sergeant’s Office prior to entering and exiting the east sidewalk through the remote controlled access gate. Notwithstanding the foregoing, the General Manager, or his or her designee, may permit bicycle traffic on the east sidewalk, at any time, in response to severe weather conditions or other emergencies.

b. On the west sidewalk: (1) Monday through Friday, excluding holidays, from 3:30 p.m. through the end of Daylight Hours; and, (2) Saturdays, Sundays and holidays during Daylight Hours.

c. Motorized bicycles or motor-driven cycles may use Bridge sidewalks in
accordance with other provisions of this Master Ordinance pertaining to
bicycles, provided the engines or motors are not in operation and the

As used herein, motor-driven cycles and motorized bicycles shall have the
meaning set forth in Sections 405 and 406, respectively, of the California Vehicle

13. CARPOOL LANE. During the hours when the reduced toll for designated
vehicles is in effect pursuant to Section II.B.2, toll lane #2 is established as a
“Carpool” or “High Occupancy Vehicle” toll lane, in accordance with applicable
California Vehicle Code provisions, for the exclusive use of those vehicles
eligible for the reduced FasTrak® toll. Such vehicles are two-axle vehicles with
three (3) or more passengers, motorcycles, buses, and clean air vehicles that bear

III. GOLDEN GATE TRANSIT - BUS AND FERRY SYSTEMS

A. GENERAL RULES

The following General Rules are hereby established for the use of the District bus and ferry systems, which are generally referred to as the District’s Passenger Code of Conduct (Code). The General Manager may exercise discretion to issue supplemental directives, guidelines and procedures to implement the Code, consistent with State law and this Master Ordinance.
