POSITION: JUNIOR CIVIL ENGINEER INTERN  
This position is located at the Toll Plaza, San Francisco.  
PS101473

SALARY: $20.00 per hour with limited benefits

OPEN TO: All qualified candidates

DATE POSTED: February 7, 2020 (Friday)

CLOSING DATE: Continuous Recruitment

POSITION SUMMARY:

The District’s Engineering Department has an immediate opening for a paid college intern. This internship program provides students the opportunity to transition from college into the full-time workforce with direct on-the-job training and knowledge sharing. Students can either work part-time or full-time depending on their class schedule.

At its discretion, the District may offer a full-time entry level position of Junior Civil Engineer to recent graduates who filed job applications with the District and met the minimum requirements of the position. Successful participants of the program are eligible to receive a Student Loan Forgiveness of $2,500 to be applied to their outstanding student loans once they enter the post-graduation part of the program.

MINIMUM QUALIFICATIONS:

• Education: The candidate must be currently enrolled in a Bachelor of Science in Civil Engineering curriculum or a graduate student in the same field at an accredited and recognized college during the Spring of 2020 semester. Proof of current enrollment is required.

• Experience: Must possess intermediate level of skill using computers and application software, specifically all Microsoft Office application (Excel, PowerPoint, Access and Word).

• Desirable Qualifications:
  o A current, valid driver's license and satisfactory driving record.
  o Engineer in Training (EIT) certificate
JUNIOR CIVIL ENGINEER INTERN (PS101473)

• Physical Requirements:
  o Requires climbing to investigate and inspect Bridge and construction projects. Carrying test
    and survey equipment weighing up to 30 pounds. Vision to read printed materials and a
    computer screen. Hearing and speech to communicate in person and over the telephone.
    Routine use of computer, telephone and other office equipment. Ability to travel to District
    facilities and projects.

ESSENTIAL RESPONSIBILITIES:
• Reviews and checks ordinary designs, plans, specifications and cost estimates for a variety of
  construction, repair and maintenance projects.
• Interprets plans and specifications.
• Inspects materials for conformance with contract requirements.
• Performs field inspections of facilities.
• Performs field inspections of construction projects.
• Performs quality calculations.
• Maintains records of work in progress of contractors.
• Collects material samples for laboratory analysis.
• Prepares and assembles construction bid documents.
• Knows and follows the safety and health rules and safe working practices applicable to his or her job.
• Establishes and maintains effective working relationships with District employees, customers,
  vendors and all others contacted during the course of work using principles of excellent customer
  service.
• Performs additional related duties as assigned.
