

Agenda Item No. (6)(B)

**REPORT OF THE ATTORNEY
BOARD OF DIRECTORS
MEETING OF April 24, 2026**

President Hill and Members of the Board:

Set forth below is a status report of legal matters on which Hanson Bridgett has worked since our last written report presented at the March 27, 2026, meeting of the Board of Directors.

In addition to provision of day-to-day assistance and advice, such as attendance at E-Team, Committee and Board meetings; review of draft minutes and staff reports, resolutions and ordinances; and, assistance with on-going personnel and labor relations matters, our time has been devoted to assisting the District and its operating divisions with the following specific matters:

District:

- **District Division Procurements:** Assisted District staff with procurement matters including multiple on-call cyber security services agreements; third amendment to TransSIGHT agreement; the RFP for Third Party Administration for workers' compensation, claim administration and ancillary services; the job posting and advertising agreement; lost and found operational services agreement; on-call grants and project support services; the microwave upgrade agreement; the RFP for on-call Cisco and Palo Alto Network professional services; the Maximo cloud hosting agreement; the 12th amendment customer communication services platform agreement; IT software requirements contract template; online solicitation management agreement; on-call grants management services agreement; trust and investment management services agreement; on-call grants and project support services agreement; film distribution and revenue sharing agreement; and, consult regarding what documents to attach to agreements and update of the template agreement.
- **District Division Matters:** Provided assistance and advice to staff in connection with the development of a disruption policy to comply with Brown Act changes under SB 707; memo on sharing with records with law enforcement agencies; Public Records Act requests; advise on the video retention project; the draft outreach policy required by SB 707 and update meeting material under SB 707; Sonoma County Board members' appointments and requirements; the latest version of the master ordinance; Salesforce license extension; Port lease agreement; amendment to Muir Woods revocable license agreement; DBE program and litigation developments; existing intellectual-property registrations and protections potentially relevant to the contemplated LEGO transaction; restriction on airport charters; proposed amendments to AB 2372; legal risks and strategy related to AB 334; and, revisions to AB 2374 amendments
- **Personnel Matters/Labor Negotiations:** Assisted staff with responses to Local 21 representative information requests; and, on-going negotiations with labor groups.

Bridge Division:

- **Bridge Division Matters/Procurement:** Assisted staff regarding traffic control for the UBIT Project; the Aspen ariel boom lift rental; Emergency 2.4Kv Bridge feeder repair amendment; window washing services IFB; the SAV Stringer repair project; release of BSIS information; 2026 Freightliner - Service Body for Truck 49; PAFs for security and traffic control services and BTM Carrier Wheel & Hub; alternative methods for sharing proprietary design documents with bidders for solicitations; and, backsafe training for Bridge employees.

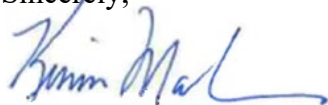

Bus Division:

- **Bus Division Matters/Procurement:** Provided assistance and advice in connection with various Bus Division matters, including liability risk of language for video surveillance signs; the San Rafael Transit Center notice and loitering matter; the bus rider survey engagement program agreement; the Blink charger commissioning contract documents; MASCOTS outreach materials; the MCTD operations contract negotiation; GIRO amendment for Hastus maintenance and support services; questions on the bus operator handbook and pull notice; assault log procedures and documentation; the draft bus safety and risk report; the GGT SMS implementation status update documents; and, the San Rafael bus facility parking lot improvements project stop payment and stop notice matter.
- **Labor Negotiations:** Provided assistance with the ATU contract and pension issues.

Ferry Division:

- **Ferry Division Matters/Procurement:** Provided assistance and advice to the District staff in connection with various Ferry Division matters, including the task orders for the on-call MTU engine maintenance and repair parts agreement; the non-disclosure agreement with PacMar Technologies; the first amendment for berth 3 deck and structure repairs agreement; waterjets overhaul agreement; ferry fleet condition assessment agreement; the marine propulsion systems contract risks due to lack of good standing with the State of California; IFB for scheduled drydocking and capital improvements for MV Del Norte; change order no. 1 for MS Marin emergency drydocking agreement; the agreement for engines, gearboxes, and drivelines for Liwa Class Vessels 1 and 2; MS San Francisco gearbox contract risks and standing with the State of California; and, the first amendment to the Ferry Fleet Replacement Program contract. Multiple PAFs included the overhaul waterjets project, the Sausalito throw gangways, and the vector controls and issues regarding the Del Norte and Golden Gate vessels.
- **The Larkspur Ferry Terminal (LFT):** Assisted staff with questions regarding analysis on the LFT parking structure CEQA process and the new proposal for LFT cable routing project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kimon Manolius".
