Customer Tips for Riding GGT

Before Arriving at the Bus Stop

- Plan to arrive at the bus stop at least five minutes before scheduled departure time.
- **Schedule times may be impacted by traffic conditions.** Go to goldengate.org/bus for real-time maps.
- Bus pad times are approximate. Due to varying traffic conditions, buses may serve bus pads earlier or later than times shown in schedule.
- For northbound Commute routes, times in Marin & Sonoma counties are approximate and are dependent on traffic.

At the Bus Stop

- When waiting at your stop, stay at least three feet from the curb. Standing near the curb can be dangerous.
- For real-time maps, go to goldengate.org/bus and choose your route. Maps are below the schedules.
- **As the bus approaches, signal the driver of the bus you wish to board.**
- Wait for the bus to come to a complete stop before approaching the front door to board.
- Never touch a moving bus. Stay away from the wheels of the bus.
- Do not run after a departing bus. Once the bus has left the curb/stop, drivers are prohibited from opening the doors and boarding passengers.
- Due to limited bus stop access, buses cannot hold for connections in San Francisco.
- Never use your hand, umbrella, briefcase or other object to try to open the doors if they are closing. They will not reopen and you could be injured.
- Have your cash or Clipper/bank card (plastic or mobile) ready before boarding the bus. Be prepared to pay the cash equivalent if Clipper does not work.

On the Bus

- If paying with cash, tell the driver your destination to be charged correctly. Full fare must be paid upon boarding. Fare is based on point of origin and final destination. Marin Transit passes (Clipper) are only accepted on trips that begin and end in Marin County. Transfers are only issued on Clipper/bank cards.
- If you have questions, ask them when boarding. Avoid unnecessary conversation with the driver.
- Move quickly to an empty seat and remain seated while the bus is moving. If the bus is full, you may stand, but you should hold on at all times.

- Do not put your hand, arm, head or any part of your body through an open bus window.
- No eating, drinking, smoking, or vaping on board.
- Shoes and shirts must be worn while riding the bus.
- The driver may dim or turn off certain lights to minimize the reflection on the windshield.
- **Use of cellular phones or other electronic equipment is allowed as long as it does not disturb others. Do not use the speaker function on your phone. Keep it short, keep it down, keep it quiet, keep it off!**
- Use earbuds or headphones if you must use audio equipment, but be aware of your neighbors and keep the volume low.
- All GGT buses are equipped with WiFi. Please do not ask bus operators for assistance with WiFi.
- Fold up baby strollers and hold the child in your lap.
- Your belongings must fit in the overhead rack (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or on your lap. For safety reasons, do not block open seats or aisles with your personal belongings.
- Use caution when reclining your seat and make sure there is adequate room for the person behind you.
- Do not use perfume, nail polish, or other scented products while on the bus.
- While riding, be prepared. Buses can make sudden stops.

Getting off the Bus

- When the bus gets close to your stop, push the signal button/strip or pull the cord to alert the driver.
- Stay in your seat until the bus comes to a complete stop.
- If using Clipper or bank card, “tap” off as you exit the bus so the correct fare is deducted. Wait for the bus to come to a complete stop before tapping off.
- When you get off the bus, do not cross in front of it.
- Take all belongings, including newspapers, with you.
- **If you need to remove a bicycle when you exit, please tell the driver prior to leaving the bus.**

Assault or Battery upon a Bus Operator is a Crime

Violators will be prosecuted to the fullest extent of the law. The penalty for this crime is a fine of \$10,000 and imprisonment of up to 5 years. If you have information about such a crime, please call toll-free **511** (say “Golden Gate Transit,” then “operator”) or visit goldengate.org/contact.

Clipper, Discounts, and Transfers

Clipper/contactless bank cards are fare payment methods accepted by all Bay Area transit agencies. Customers “tap” their card or phone when boarding to pay their fare. Tap on and off when riding the bus, only tap ON when riding the ferry. See page 27 for more information.

Learn about discount eligibility, and how to get Clipper cards for discounts, on page 27.

Transfers are available between Golden Gate Bus and Ferry to/from other systems. Clipper/bank cards automatically track transfers. Transfers may be used for round-trip travel in some cases. See page 27 for details.

Servicios de Traducción Bilingüe

Para servicios de traducción bilingüe en español, llame al **415/455-2000** lunes a viernes desde 7:00 am a 6:00 pm (excepto los días festivos).

Tarifas de Autobuses

Las tarifas están determinadas por zonas (ver las Tarifas por Zona/Mapa de Servicios por Área en la página 6 o en la cubierta posterior del Mapa de Sistema) y varían según el largo del trayecto y el número de zonas transcurridas. Por lo tanto, por favor avise al conductor de su destino final al momento de abordar y tenga el monto exacto de la tarifa a mano.

Para determinar su tarifa, use la Tabla de Tarifas en la página 7. Primero seleccione la Tabla de Tarifa apropiada (por ejemplo: Adulto, Joven/Tercera Edad/Persona con incapacidades/Clipper START); luego encuentre la Zona de Tarifa donde su viaje comienza y termina. Por ejemplo, si usted es un adulto y se encuentra en la Zona 1 y desea viajar a la Zona 4, use como referencia la tabla de tarifa de “Adult” y busque la Zona número “1” en la fila superior, luego siga esa columna hacia abajo hasta que esté en la fila marcada Zona “4” a la izquierda. Su tarifa en este caso sería \$10.25.

Tarifas con Descuentos

Los adultos reciben un descuento con la compra de Clipper (tarjeta de descuento o aplicación móvil). Los Descuentos no pueden ser utilizadas para pases grupales o para pagos de estudiantes, personas de la tercera edad o tarifas de descuento para personas con incapacidades descrito más adelante.

Las **Personas de la Tercera Edad, de 65 años o más**, que tengan Tarjeta de Descuento Clipper Access, tarjeta de identificación para personas de la tercera edad de otro servicio de tránsito de California o tarjeta de Medicare, reciben un 50% de descuento de la tarifa en efectivo de adulto, al pagar en efectivo.

Las **Personas con incapacidades** que tengan Tarjeta de Pancarta de Identificación de Persona con incapacidades del Departamento de Vehículos Motorizados, Tarjeta de Descuento Clipper Access, tarjeta de Medicare o tarjeta de identificación para personas con incapacidades de otro servicio de tránsito, reciben 50% de descuento de la tarifa en efectivo de adultos si el pago es en efectivo.

Los **jóvenes entre 5-18 años** de edad reciben 50% de descuento de la tarifa en efectivo de adultos. El conductor puede solicitar evidencia de edad.

Los **Niños** de 4 años de edad y menores, viajan gratuitamente cuando son acompañados por un adulto (límite de dos niños por adulto).

Reading GGT Schedules

Step 1: Look at the fold-out Bus & Ferry System Map inside the back cover to determine which bus routes serve your travel needs.

Step 2: GGT has nearly 300 bus stops. Not all stops are shown in the printed timetables, but they are all shown on the maps and in the online timetables. Use the route maps to identify the stops to use on your route. Consult the appropriate timetable in this Transit Guide to find the schedule for your route number and bus stop.

Step 3: Learn how to use timetables with the example below.

Days of service and route type (Commuter, Regional, etc.).

Not all routes operate daily.

Timetables for different directions and days of travel for a given route may be on different pages.

Route number.

Final destination and direction of travel.

Cities and neighborhoods served.

Major stops served. If your stop is not listed, consult the route map near the timetable to determine which major stops your stop falls between, and you can estimate the approximate departure time for your stop.

Arrival/departure times at specific stops. Unless noted, times listed are departure times.

Light type indicates am times.

Bold type indicates pm times.

Dashes indicate that a given stop is not served.

Rider Alerts. Check rider alerts for important information regarding the route.

General Information

Types of Service - Bus

Golden Gate Transit operates fixed-route bus service between San Francisco, Marin, Sonoma, and Contra Costa counties. Service is reduced on holidays (see page 3). Routes are divided into Regional and Commute services:

Regional service operates daily and includes Routes 101, 120, and 580. Route 580X provides supplemental service on weekdays only.

Commute service operates during weekday peak periods only and includes Routes 114, 132, 154, and 172.

Types of Service - Ferry

Golden Gate Ferry (GGF) operates daily between Marin County (Larkspur/Sausalito/Angel Island/Tiburon) and the Golden Gate Ferry Terminal at the foot of Market Street, behind the San Francisco Ferry Building (departs from Gates B & C). GGF also provides special service from Larkspur to Giants home games, as well as some special events at Oracle Park. See schedules on pages 10-11. Service is reduced or does not operate on holidays (see page 3).

Capacity on Buses and Ferries

Bus capacity is limited to one person per seat including those seats in the wheelchair securement area. When operating across county lines, a maximum of 10 standing passengers is permitted. When operating within county lines, standees are not limited to 10, as long as all standing passengers remain behind the yellow limit line.

High-capacity buses: Commute trips with an ongoing average of more than 35 passengers are given priority assignment of a high-capacity bus (i.e., 45-foot MCI coach). Trips with smaller averages may receive an MCI bus when available.

Ferry capacity ranges from 400 to 750 passengers, depending on vessel.

Priority Seating on Buses and Ferries

Certain seats on buses and ferries are designated as priority seating for passengers with disabilities and seniors. Bus drivers or ferry deckhands will request a non-disabled passenger in priority seating to move if a passenger with disabilities or a senior boards. **Do not** put luggage or personal articles in the wheelchair securement areas, in the aisles, or on seats.

Real-Time GGT Information

For real-time maps, go to goldengate.org/bus and choose your route. For additional real-time resources, visit goldengate.org/bus/real-time-arrivals.

Lost & Found

Golden Gate Bus and Ferry are not responsible for personal property left in passenger waiting areas, other passenger facilities, or on buses and ferries. Items must not be left unattended in these locations. **Unattended items are subject to immediate disposal.** Property will be held for up to 14 days if retrieval has been arranged.

Lost & Found: 415/455-2000

Please provide as much detail as possible, such as time of travel, bus and route number, ferry vessel name, direction of travel, and a description of the lost item.

After hours, please leave a detailed message regarding the lost item and you will receive a call back when the Customer Service Center opens.

Bilingual Customer Services

For translation services, call **415/455-2000** (Monday through Friday 7:00 am to 6:00 pm). Information in Spanish is on page 8.

See Something? Say Something!

The District encourages the active participation of our customers to help maintain a safe environment on our buses, ferries, and the Bridge. Please report any suspicious packages, people, or activities to the nearest employee.

Service Impacts During Special Events

Special events (festivals, parades, etc.) may impact bus and ferry service. For information on service impacts, call toll-free **511** (say “Golden Gate Transit” then “operator”) or **711** (TDD), or visit goldengate.org/alertsignup to register to receive alerts for your route.

In Case of Emergency

If an emergency occurs, tune radios to KCBS (740 AM) or go to 511.org. Bus operators may be authorized to announce the status of transit operations.

General Restrictions for Buses and Ferries

Operation of radios, portable media players, or similar devices is NOT allowed on buses or ferries unless earbuds are used and the volume is kept low so other passengers are not disturbed.

All **service animals** (and those being trained) must be leashed or harnessed (except when tethering interferes with the animals' abilities to perform its duties), must remain under the control of its owner or trainer, and may not present a direct threat to the safety of other passengers. Other **animals or pets** are permitted aboard buses and ferries provided they are in, and remain in, approved hand-carried containers.

Electric Personal Assisted Mobility Devices (including Segways) are not allowed on buses unless used by a person with disabilities as a mobility aid. EPAMDs are allowed aboard all GGF vessels. When boarding/d disembarking, EPAMDs must be in the "off" mode and must be secured safely during transport.

Electric scooters are allowed on buses and ferries, but the scooter must be powered off and the handle retracted for easy storage.

Cell phones: If using a cell phone on a bus or ferry, do not disturb the driver or other passengers. You may be asked to stop using your cell phone. On ferries, do not use cell phones in cell-phone free areas. Keep calls short and your voice low. Use the silent/vibrate ringer option and do not use the speaker function. Minimize incoming calls when possible.

Keep it short, keep it down, keep it quiet, keep it off!

General Restrictions for Buses Only

Smoking (including e-cigarettes), eating, and drinking are NOT permitted aboard buses. Food and beverage containers are allowed only if they are securely closed with a lid or cover. California State Law prohibits open alcoholic beverages aboard public transit buses.

Luggage and personal articles must fit in the overhead racks (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or safely on your lap, otherwise you may not be allowed to board. **Do not** put luggage or personal articles in the aisles, in the wheelchair securement areas, or on seats. Baby strollers must be folded and children must be held on your lap. **Passengers are responsible for their own belongings. Unattended items are subject to immediate disposal.**

General Restrictions for Ferries Only

Smoking (including e-cigarettes) is NOT permitted aboard ferries or in passenger waiting areas inside ferry terminals. Designated smoking areas are located outside terminal gates.

Charging of e-bikes, scooters, or any other electric mobility device is prohibited on board Golden Gate Ferry.

Advisory Committees

The District sponsors four advisory committees. Members meet regularly to provide input and express the preferences of fellow passengers to transit managers and staff on an ongoing basis. All meetings are held in person and are open to the public. Check for upcoming meetings at goldengate.org/events. Click "Passenger Advisory Committee" from the drop-down menu.

Bus Passengers Advisory Committee (BPAC) meets on the third Wednesday evening of every other month with a summer hiatus.

Ferry Passengers Advisory Committee (FPAC) meets early afternoons on the first Thursday of selected months.

Advisory Committee on Accessibility (ACA) meets quarterly on the third Thursday afternoon of the month. Members provide input and express the preference of bus and ferry passengers with disabilities to transit managers and staff.

Pedestrian and Bicycle Advisory Committee (PBAC) meets on the second Wednesday evening of selected months. Members advise the District on bicycle and pedestrian issues for the Golden Gate Bridge and its approaches, within the District's transit facilities, and on board GGT buses and GGF vessels.

For more information, please email pac@goldengate.org, call toll-free **511** (say "Golden Gate Transit," then "operator"), or visit <https://bit.ly/bus-pac>. Applications are accepted on an ongoing basis.

Transit Benefit Programs

Many Bay Area employers offer employees monthly incentives toward the purchase of bus and ferry fares on Clipper. Employers can deduct funds from an employee's pre-tax salary and can also claim a business expense deduction. Purchase restrictions apply. Talk to your employer for information on commuter benefits.

Transfers

Transfers are automatically tracked on Clipper (mobile and plastic) and contactless bank cards.

Within the Golden Gate System

Transfers can be used to make a round trip within a single county but cannot be used to make a round trip between counties. Tap on and off with same card/device on GGT (GGF riders only tap ON). Transfers are valid for three hours after first tapping on, and can be used up to two times. Paper transfers from GGT can only be used on other GGT buses.

Interagency Transfers

Transfers on Clipper and contactless bank cards only; there are no interagency transfers for cash-paying customers. When transferring TO or FROM another agency, customers receive a discount of up to \$2.85 (up to \$1.40 for youth/senior/disabled). Transfers are FREE when the connecting fare is less than \$2.85/\$1.40.

Accessible Services

Overview

Golden Gate Transit (GGT) and Golden Gate Ferry (GGF) offer a variety of accessible services. For fares for people with disabilities, see page 7, and for information on Clipper Access, see page 27.

Golden Gate Transit Accessible Services

All GGT bus service is operated with lift-equipped buses that have a “kneeling feature” for easier boarding. Not all GGT bus stops are accessible to wheelchairs. If you require special assistance, you are encouraged to travel with a companion. GGT provides training in boarding, exiting, and wheelchair securement procedures. For a training appointment, call **415/257-4463** at least two days in advance.

To board the bus with a mobility device, please wait at the front area of the bus stop so the driver knows you would like to board. Before boarding, please have your fare and identification ready. If you cannot reach the farebox or have difficulty handling money, we recommend that you get a Clipper Access card to pay your fare (see page 27.) Clipper card readers are located at the front of the bus. When you board, tell the driver your destination.

While on the lift platform, wheelchair brakes should always be locked and chair power turned off. If the operator is unable to secure your wheelchair, you have the option of waiting for the next bus. If your wheelchair is difficult to secure, call **415/455-2000** to request free supplementary straps to attach to your chair. Anyone may transfer from a wheelchair to a passenger seat. This is recommended for three-wheeled mobility cart (“mobie”) users as these devices are not designed for use as seats in vehicles.

The Department of Transportation (DOT) Americans with Disabilities Act (ADA) regulations in 49 CFR (Code of Federal Regulations) sections 37.167(b) and (c) require that stop announcements must be made on fixed route systems. Therefore, announcements will be made at transfer points with other fixed routes, major intersections, destination points, and intervals along a route to permit individuals with visual impairments or other disabilities to be oriented to their location.

Golden Gate Ferry Accessible Services

All GGF vessels are accessible to passengers using wheelchairs and all have accessible restrooms. When traveling between San Francisco and Sausalito, Tiburon, or Angel Island, wheelchair users do not need to use the wheelchair lift, as inter-deck movement is not required to load and unload. However, when traveling between the following locations, wheelchair customers must use the wheelchair lift to load/unload on separate decks. **Wheelchair lifts may be operated only by crew members.**

Larkspur to Oracle Park: Enter through main ramp and take the lift down one level to exit at Oracle Park.

Oracle Park to Larkspur: Enter on Main Deck and take the lift up one level to exit in Larkspur. The lift can accommodate a wheelchair up to 30" wide by 41" long and a total weight not exceeding 495 lbs.

If you have special mobility needs or requests, please email us at contact@goldengate.org at least two business days before game/event day.

Paratransit Services

Regional paratransit service is provided in compliance with the ADA of 1990 for ADA eligible passengers. This service is operated by Transdev as “Marin Access” and is designed to complement GGT’s regional, non-commute bus service. This service operates between Marin, Contra Costa, and San Francisco counties within three-quarters of a mile of GGT’s Regional bus routes. Fares are charged and reservations are required.

For more information or to request a copy of Paratransit Rider’s Guide, contact Marin Access (**415/454-0902** or **711/TDD**) or GGT (**415/455-2000**), or visit goldengate.org/accessibility.

Bikes and Transit

All Golden Gate buses and ferries accept bikes on a first-come, first-served basis. Customers use bike racks at their own risk. GGT assumes no responsibility for bikes that are lost, stolen, damaged, or left on racks.

Bikes and Golden Gate Transit Buses

All GGT buses are equipped with bike racks: either a front-mounted rack or an interior underbelly rack. Due to safety and/or operational reasons, underbelly bike racks are not accessible at some stops within San Francisco, which are identified by a sticker at the stop. A complete list of these stops is posted at goldengate.org/bikes-ggt.

Electric bikes (e-bikes) are only allowed on GGT buses with **front-mounted bike racks**. E-bike batteries must remain

on the bike and can NOT be brought on board the bus. E-bikes cannot weigh more than 55 lbs. GGT cannot guarantee that front-mounted bike racks will be available to transport e-bikes. To find out if a bus with a

front-mounted rack will serve your stop, please contact Customer Service at **415/455-2000**. Gas-powered, Bay Wheels/Lyft, Today/Richmond, and Redwood Bikeshare bikes are NOT accepted on GGT.

Single-rider, two-wheel bikes with wheels 20" or larger, including road, hybrid, mountain, and junior/pre-teen bikes, can fit onto the racks. Bikes with fenders or tires wider than 3" will not fit on front-mounted bike racks. Bike handlebars cannot extend more than 42" from the front of the bus. Bikes with front-mounted baskets, horizontal racks, or front fenders will not fit on either a front-mounted bike rack or an underbelly rack. E-bikes and bikes with rear-mounted baskets, racks, or child seats cannot be accommodated in the underbelly racks, but may fit on the front-loading bike racks as long as the object does not interfere with the bus operator's view. The driver has discretion to decide whether or not he/she can safely see around any mounted object, and may deny transporting a bike.

Bikes and Golden Gate Ferry

Electric bikes are welcome aboard GGF vessels with the understanding that customers may need to carry their bike up or down a flight of stairs to embark/disembark. Crew members will not be able to help carry bikes. Gas powered, Bay Wheels/

Lyft, Today/Richmond, and Redwood Bikeshare bikes are NOT accepted on GGF. Bike racks are available at the San Francisco Ferry Terminal. Larkspur Ferry Terminal provides secure bicycle storage within the paid waiting area. Bikes must be walked on and off the ferry. No riding inside the terminal area.
