Welcome to Golden Gate Transit Bus and Ferry System!

Golden Gate Transit has been operating bus and ferry service since 1970 as a service of the Golden Gate Bridge, Highway and Transportation District (District), which also maintains and operates the Golden Gate Bridge. Golden Gate Transit is subsidized by toll revenues from the Golden Gate Bridge, by collection of fares, and to the extent available, federal and state grants. The District does not have authority to levy a tax.

What’s New

• New Route 580X provides express weekday service between the San Rafael Transit Center and the El Cerrito Del Norte BART Station. See page 20.

• Golden Gate Transit and Golden Gate Ferry fares will increase on July 1, 2024. Visit goldengate.org for updates.

• Ride Golden Gate Ferry to the Pride Celebration & Parade on June 29-30. See page 29.

• Giants Ferry tickets are on sale now! See page 12.

Security Notice

Unattended items on buses, ferries or at terminals may be subject to immediate disposal. Golden Gate Bus and Golden Gate Ferry are not responsible for items left in terminals, aboard ferry vessels or buses.

In Case of Emergency

If an emergency occurs, GGT works closely with Bay Area media to provide up-to-date service information. Tune radios to local news stations KCBS (740 AM) or KGO (810 AM). Bus operators may be authorized to announce the status of GGT operations.

Customer Tips for Riding GGT

Before Arriving at the Bus Stop

- Plan to arrive at the bus stop at least five minutes before scheduled departure time.
- **Schedule times may be impacted by traffic conditions.** Download Transit app for real-time arrivals.
- Bus pad times are approximate. Due to varying traffic conditions, buses may serve bus pads earlier or later than times shown in schedule.
- For northbound Commute routes, times in Marin & Sonoma counties are approximate and are dependent on traffic.

At the Bus Stop

- When waiting at your stop, stay at least three feet from the curb. Standing near the curb can be dangerous.
- Check Transit app for real-time GGT information.
- **As the bus approaches, signal the driver of the bus you wish to board.**
- Wait for the bus to come to a complete stop before approaching the front door to board.
- Never touch a moving bus. Stay away from the wheels of the bus.
- Do not run after a departing bus. Once the bus has left the curb/stop, drivers are prohibited from opening the doors and boarding passengers.
- Due to limited bus stop access, buses cannot hold for connections in San Francisco.
- Never use your hand, umbrella, briefcase or any object to try to reopen the doors if they are closing. They will not reopen and you could be injured.
- Have your fare, Clipper (card or mobile), or transfer ready before boarding the bus. Be prepared to pay the cash equivalent if Clipper does not work.

On the Bus

- If paying with cash, tell the driver where you are going so you are charged the correct fare. Full fare must be paid upon boarding. Fare is based on point of origin and final destination. Marin Transit passes are only accepted on trips that begin and end in Marin County. Transfers are only issued when you pay your fare.
- If you have questions, ask them when boarding. Avoid unnecessary conversation with the driver.
- Move quickly to an empty seat and remain seated while the bus is moving. If the bus is full, you may stand, but you should hold on at all times.
- Use earbuds if you must use audio equipment, but be aware of your neighbors and keep the volume low.
- All GGT buses are equipped with WiFi. Please do not ask bus operators for assistance with WiFi.
- Fold up baby strollers and hold the child in your lap.
- Your belongings must fit in the overhead rack (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or on your lap. For safety reasons, you must not block open seats or aisles with your personal belongings. Please take all of your belongings, including newspapers, when you exit.
- Use caution when reclining your seat and make sure there is adequate room for the person behind you.
- Do not use perfume, nail polish, or other scented products while on the bus.
- While riding, be prepared. Buses can make sudden stops.

Getting off the Bus

- When the bus gets close to your stop, push the signal button/strip or pull the cord to alert the driver.
- Stay in your seat until the bus comes to a complete stop.
- If using Clipper, be sure to “tag” off as you exit the bus so the correct fare is deducted. Wait for the bus to come to a complete stop before tagging off.
- When you get off the bus, do not cross in front of it.
- Take all belongings with you.
- **If you need to remove a bicycle when you exit, please tell the driver prior to leaving the bus.**

Assault or Battery upon a Bus Operator is a Crime

Violators will be prosecuted to the fullest extent of the law. The penalty for this crime is a fine of $10,000 and imprisonment of up to 3 years. If you have information about such a crime, please call toll-free 511 (say “Golden Gate Transit,” then “operator”) or visit goldengate.org/contact.

Fares - Bus  fares will increase July 1, 2024

Fares Subject to Change

To determine your fare, use the fare tables below. Select the correct table, then find the fare zones where your trip begins and ends. For example, if you are a cash-paying adult starting in Zone 1 and you wish to travel to Zone 4, refer to the “Adult Cash Fare” table and find Zone “1” in the top row, then follow that column down until you are in the row labeled Zone “4” at the left. Your cash fare in this case would be $9.50.

On July 1, 2024, most fares will increase by $.25. Check goldengate.org for updated fare tables.

Fares are determined by zones (see the Fare Zone/Service Area Map, on left) and vary according to trip length and number of zones crossed. If using Clipper, remember to tag off when leaving the bus so the appropriate fare is charged. If paying with cash, please advise the bus driver of your final destination when you board. If your change exceeds $1, the farebox will issue a “change card” valid for future rides on Golden Gate Transit.

**Change cards are non-refundable and are not exchangeable.**

Children four and under ride free (limit of two children per adult). See page 27 for rules about using transfers for round-trip travel. See map at left or on back cover for fare zones.

Fares are for one-way travel.

Clipper on a smart phone is the recommended fare payment option for ferry customers. See page 27 for details. Purchase single-ride ferry tickets at vending machines in the Larkspur, Sausalito, and San Francisco ferry terminals. For information on **group fares** (20+ passengers), call 415/455-2000. For travel to Angel Island, purchase round-trip tickets to Tiburon/Angel Island. **Tickets cannot be purchased on Angel Island or in Tiburon.**

### Discounts, Transfers, Passes, Clipper®

Learn more about discount eligibility on page 26. Transfers are available between Golden Gate Bus and Ferry to/from other systems. See pages 27-28 for details.

Marin County school-based Youth Passes and College of Marin Passes are NOT accepted on Golden Gate Transit.

Clipper is a discounted fare-payment method that is accepted by all Bay Area transit agencies. Electronic cash (“e-cash”) is stored on a smart card or in a phone’s mobile wallet. Customers “tag” the card or phone when boarding to pay their fare. Clipper customers receive discounted fares, and transfers are automatically tracked. See page 27 for more information.
**Servicios de Traducción Bilingüe**

Para servicios de traducción bilingüe en español, llame al **415/455-2000** lunes a viernes desde 7:00 am a 6:00 pm (excepto los días festivos).

**Tarifas de Autobuses**

Nota: Las tarifas aumentarán el 1 de julio de 2024. Visite [goldengate.org](http://goldengate.org) para obtener tarifas actualizadas.

Las tarifas están determinadas por zonas (ver las Tarifas por Zona/Mapa de Servicios por Área en la página 6 o en la cubierta posterior del Mapa de Sistema) y varían según el largo del trayecto y el número de zonas transcurridas. Por lo tanto, por favor avise al conductor de su destino final al momento de abordar y tenga el monto exacto de la tarifa a mano.

Para determinar su tarifa, use la Tabla de Tarifas en la página 7. Primero seleccione la Tabla de Tarifa apropiada (por ejemplo: Adulto, Joven/Tercera Edad/Persona con incapacidades/Clipper START); luego encuentre la Zona de Tarifa donde su viaje comienza y termina. Por ejemplo, si usted es un adulto y se encuentra en la Zona 1 y desea viajar a la Zona 4, use como referencia la tabla de tarifa de “Adult” y busque la Zona número “1” en la fila superior, luego siga esa columna hacia abajo hasta que esté en la fila marcada Zona “4” a la izquierda. Su tarifa en este caso sería $9.50.

**Tarifas con Descuentos**

Los adultos reciben un 20% de descuento con la compra de Clipper (tarjeta de descuento o aplicación móvil). Los Descuentos no pueden ser utilizadas para pases grupales o para pagos de estudiantes, personas de la tercera edad o tarifas de descuento para personas con incapacidades descrito más adelante.

Las **Personas de la Tercera Edad, de 65 años o más**, que tengan Tarjeta de Descuento Regional de Conexión de Transito (RTC), tarjeta de identificación para personas de la tercera edad de otro servicio de tránsito de California o tarjeta de Medicare, reciben un 50% de descuento de la tarifa en efectivo de adulto, al pagar en efectivo.

Las **Personas con incapacidades** que tengan Tarjeta de Pancarta de Identificación de Persona con incapacidades del Departamento de Vehículos Motorizados, Tarjeta de Descuento Regional de Conexión de Transito (RTC), tarjeta de Medicare o tarjeta de identificación para personas con incapacidades de otro servicio de tránsito, reciben 50% de descuento de la tarifa en efectivo de adultos si el pago es en efectivo.

Golden Gate Bridge District

The Golden Gate Bridge and Highway District (District) was formed in 1928 to construct the Golden Gate Bridge. The District includes San Francisco, Marin, Sonoma, Del Norte, most of Napa, and part of Mendocino counties. The Bridge was built with funding from $35 million of general obligation bonds, approved by a vote of the District counties’ residents and backed by the value of their property.

Opened to traffic on May 28, 1937, the Golden Gate Bridge became a vital artery between San Francisco and the counties to the north. Traffic grew by a million vehicles a year.

In 1969, the California State Legislature authorized the District to develop a mass transportation system between San Francisco and the counties in the Golden Gate corridor to ease traffic congestion and accommodate future travel growth. At this time “Transportation” was added to the District name. Golden Gate Transit is a direct result of that effort.

To keep fares competitive with the cost of auto travel, the bus and ferry transit system is subsidized by Golden Gate Bridge tolls and State Transportation Development Act funds. The District has no taxing authority.

The District is an Equal Opportunity Employer.

General Information

Service Description/Days of Service
Golden Gate Ferry (GGF) operates daily service between Marin County (Larkspur/Sausalito/Tiburon/Angel Island) and San Francisco. GGF also operates special service to Giants games and some Oracle Park events (see below). See schedule information on page 10. Service is reduced or does not operate on holidays (see page 28).

Golden Gate Transit (GGT) provides regional fixed-route bus service in San Francisco, and in Marin and Sonoma counties. Bus service is also available between San Rafael in central Marin and the El Cerrito del Norte BART station in western Contra Costa County. Service is reduced on holidays (see page 28).

Marin Transit operates bus service within Marin County. Schedules for Marin Transit routes can be found at marintransit.org and in the Marin Transit Rider’s Guide.

Service Impacts During Special Events
Special events (festivals, parades, etc.) may impact bus and ferry service. For information on service impacts, call toll-free 511 (say “Golden Gate Transit” then “operator”) or 711 (TDD), or visit goldengate.org/alertsignup to register to receive alerts for your route.

Real-Time GGT Arrivals on Transit App
For real-time information regarding GGT arrival times and alerts, download the free Transit app from the Apple and Google stores.

Types of Service - Ferry
Ferry service is provided between Marin County (Larkspur/Sausalito/Angel Island/Tiburon) and the Golden Gate Ferry Terminal at the foot of Market Street, behind the San Francisco Ferry Building (departs from Gates B & C). GGF also provides special service from Larkspur to Giants home games, as well as some special events at Oracle Park. Call toll-free 511 or 711 (TDD), or visit goldengate.org for details.

Types of Service - GGT Bus
GGT operates regional bus service between San Francisco, Marin, Sonoma, and Contra Costa counties. The District sets most service levels and fares. Routes are divided into Regional and Commute services:

Regional service operates daily and includes Routes 101, 130, 150, and 580.

Commute service operates primarily during weekday peak periods and includes Routes 114, 132, 154, 164, 172, and 172X.

Capacity on Buses
Bus capacity is limited to one person per seat including those seats in the wheelchair securement area, plus 10 standing passengers.

Policy for High-Capacity Buses
Commute trips with an ongoing average of more than 35 passengers are given priority assignment of a high-capacity bus (i.e., 45-foot MCI coach). Trips with smaller averages may receive an MCI bus when available.

Capacity on Ferries
Ferry capacity ranges from 400 to 750 passengers, depending on vessel.

Priority Seating on Buses and Ferries
Certain seats on buses and ferries are designated as priority seating for passengers with disabilities and seniors. Bus drivers or ferry deckhands will request a non-disabled passenger in priority seating to move if a passenger with disabilities or a senior boards. Do not put luggage or personal articles in the wheelchair securement areas, in the aisles, or on seats.

Lost & Found
Golden Gate Bus and Ferry are not responsible for personal property left in passenger waiting areas, other passenger facilities, or on buses and ferries. Items must not be left unattended in these locations. Unattended items are subject to immediate disposal. Property that has not been disposed of and for which retrieval has been arranged will be held for 14 days.

Lost & Found: 415/455-2000

Please provide as much detail as possible, such as time of travel, bus and route number, ferry vessel name, direction of travel, and a description of the lost item.

After hours, please leave a detailed message regarding the lost item and you will receive a call back when the Customer Service Center opens.
General Restrictions for Buses and Ferries

Operation of radios, portable media players, or similar devices is NOT allowed on buses or ferries unless earbuds are used and the volume is kept low so other passengers are not disturbed.

All service animals (and those being trained) must be leashed or harnessed (except when performing tasks where tethering interferes with the animals’ abilities to perform), must remain under the control of its owner or trainer, and may not present a direct threat to the safety of other passengers. Other animals or pets are permitted aboard buses and ferries provided they are in, and remain in, approved hand-carried containers.

Electric Personal Assisted Mobility Devices (including Segways) are not allowed on buses unless used by a person with disabilities as a mobility aid. EPAMDs are allowed aboard all GGF vessels. When boarding/disembarking, EPAMDs must be in the “off” mode and must be secured safely during transport.

Electric scooters are allowed on buses and ferries, but the scooter must be powered off and the handle retracted for easy storage.

Cell phones: If using a cell phone on a bus or ferry, do not disturb the driver or other passengers. You may be asked to stop using your cell phone. On ferries, do not use cell phones in cell-phone free areas. Keep calls short and your voice low. Use the silent/vibrate ringer option. Minimize incoming calls when possible.

*Keep it short, keep it down, keep it quiet, keep it off!*

General Restrictions for Buses Only

Smoking (including e-cigarettes), eating, and drinking are NOT permitted aboard buses. California State Law prohibits open alcoholic beverages aboard public transit buses.

Luggage and personal articles must fit in the overhead racks (maximum 29" L x 12" W x 6" H), under a seat (maximum 18" L x 13" W x 7" H), or safely on your lap, otherwise you may not be allowed to board. **Do not** put luggage or personal articles in the aisles, in the wheelchair securement areas, or on seats. Baby strollers must be folded and children must be held on your lap. **Passengers are responsible for their own belongings. Unattended items are subject to immediate disposal.**

General Restrictions for Ferries Only

Smoking (including e-cigarettes) is NOT permitted aboard ferries or in passenger waiting areas inside ferry terminals. Designated smoking areas are located outside terminal gates.

Bilingual Customer Services

For translation services, call **415/455-2000** (Monday through Friday 7:00 am to 6:00 pm). Information in Spanish is on page 8.

**See Something? Say Something!**

The District encourages the active participation of our customers to help maintain a safe environment on our buses, ferries, and the Bridge. Please report any suspicious packages, people, or activities to the nearest employee.

Advisory Committees

The District sponsors four advisory committees. Members meet regularly to provide input and express the preferences of fellow passengers to transit managers and staff on an ongoing basis. All meetings are held in person and are open to the public. Check for upcoming meetings at goldengate.org/events. Click “Passenger Advisory Committee” from the drop-down menu.

**Bus Passengers Advisory Committee (BPAC)**

meets on the third Wednesday evening of every other month with a summer hiatus.

**Ferry Passengers Advisory Committee (FPAC)**

meets early afternoons on the first Thursday of selected months.

**Advisory Committee on Accessibility (ACA)**

meets quarterly on the third Thursday afternoon of the month. Members provide input and express the preference of bus and ferry passengers with disabilities to transit managers and staff.

**Pedestrian and Bicycle Advisory Committee (PBAC)**

meets on the second Wednesday evening of selected months. Members advise the District on bicycle and pedestrian issues for the Golden Gate Bridge and its approaches, within the District’s transit facilities, and on board GGT buses and GGF vessels.

For more information, please email pac@goldengate.org, call toll-free **511** (say “Golden Gate Transit,” then “operator”), or visit [https://bit.ly/bus-pac](https://bit.ly/bus-pac). Applications are accepted on an ongoing basis.
Bikes and Transit

Visit our website to learn about bike loading/unloading, rack rules/limitations and safety tips. Or obtain a copy of our Bike to Transit brochure on our website under “Riding the Bus” then “Bringing your Bike” or e-mail contact@goldengate.org.

Customers use bike racks at their own risk. GGT assumes no responsibility for bikes that are lost, stolen, damaged, or left on racks. All Golden Gate buses and ferries accept bikes on a first-come, first-served basis.

Bikes and Golden Gate Ferry

Electric bikes are welcome aboard GGF vessels with the understanding that customers may need to carry their bike up or down a flight of stairs to embark/disembark. Crew members will not be able to help carry bikes. Gas powered bikes and Bay Wheels/Lyft bikes are NOT accepted on GGF. Bike racks are available at the San Francisco Ferry Terminal. Larkspur Ferry Terminal provides secure bicycle storage within the paid waiting area. Bikes must be walked on and off the boat. No riding inside the terminal area.

Bikes and Golden Gate Transit Buses

All GGT buses are equipped with bike racks: either a front-mounted rack or an interior underbelly rack. Due to safety and/or operational reasons, underbelly bike racks are not accessible at some stops within San Francisco, which are identified by a sticker at the stop. A complete list of these stops is posted at goldengate.org/bikes-ggt.

Electric bikes (e-bikes) are only allowed on GGT buses with front-mounted bike racks. E-bike batteries must remain on the bike and can NOT be brought on board the bus. E-bikes cannot weigh more than 55 lbs. GGT cannot guarantee that front-mounted bike racks will be available to transport e-bikes. To find out if a bus with a front-mounted rack will serve your stop, please contact Customer Service at 415/455-2000. Gas-powered bikes and Bay Wheels/Lyft bikes are NOT accepted on GGT.

Single-rider, two-wheel bikes with wheels 20" or larger, including road, hybrid, mountain, and junior/pre-teen bikes, can fit onto the racks. Bikes with tires wider than 3" will not fit on front-mounted bike racks. Bikes with front-mounted baskets, horizontal racks, or front fenders will not fit on either a front-mounted bike rack or an underbelly rack. E-bikes and bikes with rear-mounted baskets, racks, or child seats cannot be accommodated in the underbelly racks, but may fit on the front-loading bike racks as long as the object does not interfere with the bus operator’s view. The driver has discretion to decide whether or not he/she can safely see around any mounted object, and may deny transporting a bike.

**Accessible Services**

**Overview**

Golden Gate Transit (GGT) and Golden Gate Ferry (GGF) offer a variety of accessible services. For fares for people with disabilities, see page 7, and for information on Clipper, see page 27.

**Golden Gate Transit Accessible Services**

All GGT bus service is operated with lift-equipped buses that have a “kneeling feature” for easier boarding. Not all GGT bus stops are accessible to wheelchairs. If you require special assistance, you are encouraged to travel with a companion. GGT provides training in boarding, exiting, and wheelchair securement procedures. For a training appointment, call 415/257-4463 at least two days in advance.

To board the bus with a mobility device, please wait at the front area of the bus stop so the driver knows you would like to board. Before boarding, please have your fare and identification ready. If you cannot reach the farebox or have difficulty handling money, we recommend that you get an RTC Clipper card to pay your fare (see page 27). Clipper card readers are located at the front of the bus. When you board, tell the driver your destination. **While on the lift platform, wheelchair brakes should always be locked and chair power turned off.** If the operator is unable to secure your wheelchair, you have the option of waiting for the next bus. If your wheelchair is difficult to secure, call 415/455-2000 to request free supplementary straps to attach to your chair. Anyone may transfer from a wheelchair to a passenger seat. This is recommended for three-wheeled mobility cart (“mobie”) users as these devices are not designed for use as seats in vehicles.

The Department of Transportation (DOT) Americans with Disabilities Act (ADA) regulations in 49 CFR (Code of Federal Regulations) sections 37.167(b) and (c) require that stop announcements must be made on fixed route systems. Therefore, announcements will be made at transfer points with other fixed routes, major intersections, destination points, and intervals along a route to permit individuals with visual impairments or other disabilities to be oriented to their location.

**Golden Gate Ferry Accessible Services**

All GGF vessels are accessible to passengers using wheelchairs and all have accessible restrooms. When traveling between San Francisco and Sausalito, Tiburon, or Angel Island, wheelchair users do not need to use the wheelchair lift, as inter-deck movement is not required to load and unload. However, when traveling between the following locations, wheelchair customers must use the wheelchair lift to load/unload on separate decks. **Wheelchair lifts may only be operated by crew members.**

**Larkspur to Oracle Park:** Enter through main ramp and take the lift down one level to exit at Oracle Park.

**Oracle Park to Larkspur:** Enter on Main Deck and take the lift up one level to exit in Larkspur. The lift can accommodate a wheelchair up to 30” wide by 41” long and a total weight not exceeding 495 lbs.

If you have special mobility needs or requests, please email us at contact@goldengate.org at least two business days before game/event day.

Clipper®
Clipper is a convenient and secure way to pay your fare. Electronic cash (“e-cash”) is stored on a smart card or smart phone mobile wallet that a customer touches (“tags”) to a reader when getting on and off the bus or ferry. Note that failure to tag off a bus results in the highest fare (from point of origin) being deducted from the account. Clipper customers automatically receive the discounted fare. Transfers are automatically tracked. Special cards are available for youth, seniors, persons with disabilities, and low-income adults, and those cards can be transferred to your mobile wallet. E-cash never expires and if the card is registered, your balance is protected if the card is lost or stolen. One card per passenger per trip (not for group travel). To obtain a card or to learn how to add Clipper to your mobile wallet, visit clippercard.com or call 877.878.8883. Use the Clipper app to manage your account from your phone, view your history, and plan your trip. Download on the App Store or on Google Play.

Transit Benefit Programs
Many Bay Area employers offer employees monthly incentives toward the purchase of bus and ferry fare media (Clipper). Employers can deduct funds from an employee’s pre-tax salary and can also claim a business expense deduction. Purchase restrictions apply. Talk to your employer for information on commuter benefits, such as Commuter Check.

Transferring from Bus to Ferry
Paying with Clipper
“Tag” (touch) Clipper card or smart phone to the reader when deboarding the bus. Tag the card or phone again when entering the ferry gate; the appropriate discounted fare will be deducted.

Paying with Cash
Deposit full ferry fare in farebox when boarding bus. Ask bus operator for a transbay transfer to the ferry.

Transferring from Ferry to Bus
Paying with Clipper

Non-Clipper Payment
Customers not using Clipper must pay fare upon boarding the bus.

Transfers Within GGT System
Passengers may transfer between GGT buses or between GGT buses and Golden Gate Ferries with these restrictions:

1. Travel must be within the date-time period indicated on the transfer.
2. Transfers are issued by farebox only at time fare is paid. Advise driver of your destination and intention to transfer to another bus or ferry when boarding. Transfers are based on fare and ultimate destination.
3. Transfers can be used to make a round trip within a single county, but cannot be used to make a round trip between counties.
4. Transfers are valid two hours from time of issuance for travel within a single county or three hours for inter-county travel. Transfers can be used up to two times.
5. A transfer can be used only by the person to whom it is issued.

Clipper customers do not need to obtain a transfer. Transfers are automatically tracked.
